

KENTUCKY TRAILER

A Servant Leader Company

Custom Specialty Vehicles For Mobile Simulation & Training

Kentucky Trailer's Mobile Training Facilities allow you to bring a custom, "tailored to the mission" training classroom directly to the soldier, and serve multiple locations, with a shared asset.

Our purpose-built, self-contained units provide a consistent training environment, with all required training equipment and infrastructure, built-in. Mobile Training Facilities also eliminate costly travel and minimize time away from family.
